GITHUB <https://github.com/NegaNico> | LINKEDIN <https://www.linkedin.com/in/nicolas-little-876970172/>

I care about solving problems that inhibit people from understanding one another. By attaining a better understanding of those problems, I strive to implement solutions that connect us.

## LANGUAGES

- C#
- Python
- JavaScript
- Java
- Ruby
- HTML5/CSS3

## FRAMEWORKS

- .NET
- Rails
- AngularJS

## DATABASES

- MySQL
- MongoDB

## PROJECT EXPERIENCE

### Venue Project — Booking Artist for concerts

- Designed a Website that would let Venues search for an Artist to play at their venues.
- Each artist would have there own web page with bio and sample music.
- It would also have a way for the venue to contact the manager of the bands so they can book them.

## WORK EXPERIENCE

### Home Improvement, Lightfire Partner, Earth City, MO, May 2019 – Present

- Call customers to verify information, troubleshoot customer problems, and work closely with colleges to start project.

### Pre-Qualifier, North Star Insurance Advisors, Wentzville, MO, January 2019 – April 2019

- Used interpersonal skills to work with customers and begin the start up process for new insurance accounts.

### General Motors Manager Crew, Schaefer-Meyer Seed and Sod Division I, St. Charles, MO, March 2015 – May 2016

- Groundskeeper Manager at General Motors in Wentzville.
